

Science Vocabulary - Test #4

Vocabulary

1. transpiration
2. evaporation
3. condensation
4. run-off
5. precipitation
6. crest
7. trough
8. wave length
9. wave height
10. current
11. westerly winds
12. trade winds
13. equator
14. atmosphere
15. rotation
16. continents
17. Coriolis effect
18. mixed layer
19. thermocline
20. density
21. upwelling
22. heat capacity
23. El Niño
24. ice age
